

Training Services

Compliance Solution LLC provides comprehensive safety and health training services to help private businesses; public agencies comply with the current Occupational Safety and Health Administration (OSHA) regulations. Training programs can be made site specific for your particular work sites. We provide multi-media training services on site to cut down your travel time and expenses.

Some of the Topics include:

- Hazard Communication/Right-to-Know Compliance
- Respiratory Protection
- Lockout/Tagout
- Hearing Conservation
- Process Safety Management
- Chemical Hygiene
- Fire Safety
- Chemical Specific Training, e.g. Lead, Chlordane, and Formaldehyde.
- OSHA 10/30 hr General Industry*
- Asbestos Awareness
- Lead Awareness

We are always ready to discuss your particular training requirements for your personnel. We help design a training program to meet your specific needs. Please contact us at 808-383-5511, email to training@compliancesolution.com or visit www.compliancesolution.com.

* Class participants receive a Card of Completion from the U.S. Department of Labor.
